SCMBase

Supplier information

For accounts payable and procurement
Updated: 20 October 2026

Everything a finance or procurement office usually needs to set us up as a supplier. If your form asks for something not here, email damien@scmbase.com.

Data protection and security

For classes, we process students' data on your institution's behalf under our data processing agreement. SCMBase's server is hosted by Namecheap, Inc. in Phoenix, Arizona, USA, under Namecheap's Data Processing Addendum. The agreement, ready to sign, and a one-page security summary are at scmbase.com/supplier.

We never change our bank details by email. If you receive a message asking you to pay a different account, please check with Damien Mac Namara at damien@scmbase.com before paying.
